Entertainment	Free WiFi streaming from in-flight server and your own streaming service, available to every passenger

Sustainability profile

The E195-E2 is certified to the strictest international noise standards, with a noise footprint that is up to 76% smaller than previous-generation narrow body aircraft. The E2 has the lowest fuel consumption per seat and per trip among 120-150 seat aircraft.

Engine

Pratt & Whitney GTF™ engines: The made-in-Canada Geared Turbofan engine technology allows the fan to spin at optimal speed, reducing fuel consumption and noise. It has a 12:1 high by-pass ratio that minimizes fuel consumption by maximizing efficiency.

Porter Airlines - Embraer E195-E2 Seating Map

With no middle seats, spacious overhead bins, power outlets at every seat, coloured LED mood lighting, and touchless lavatories, the E195-E2 provides passengers with unparalleled comfort.

A choice of two economy experiences

We're elevating our award-winning service on every Porter flight, for every passenger. Build your own economy experience with PorterClassic or select PorterReserve for an effortless, all-inclusive package. Choose the fare that best suits your needs.

PorterReserve

Introducing a new economy experience that is unlike anything offered today in North America. PorterReserve has all the benefits of PorterClassic, plus additional perks, all bundled for one reasonable price. Dedicated check-in, early boarding, extra legroom, checked bags, and flight changes are part of your all-inclusive economy experience.

On our longer E195-E2 flights, PorterReserve also includes fresh meals made with healthy ingredients from our carefully-selected Canadian brand partners. Menu selection varies by flight, but examples of items available include tropical salmon poke bowl, ham and brie croissant breakfast sandwich, soba noodle bowl, and cheese and fruit tray.

When travelling on the E195-E2, PorterReserve includes the first four rows of the cabin (16 seats) and offers 36 inches of seat pitch, similar to business class legroom on other narrowbody aircraft. On our Dash 8-400 fleet, PorterReserve will be in the first two rows (six seats) with 32 inches of seat pitch.

PorterClassic

Porter's signature economy experience is now referred to as PorterClassic. Continue to enjoy no middle seats, plus free premium snacks, beer and wine included on every flight. On longer flights, travellers will have the option to purchase the same fresh meals and cocktails available in PorterReserve. There is also the option to purchase select perks, such as extra legroom, extra baggage, and travel flexibility.

And, on our E195 aircraft, all passengers can enjoy free, fast WiFi with full access for surfing the web or streaming your favourite entertainment platforms.

PorterClassic seats have 30 inches of seat pitch on every aircraft. When travelling on the E195-E2, PorterStretch seats are available for purchase, offering a minimum of 34 inches of seat pitch.

A more detailed breakdown of each experience can be found on www.flyporter.com.

Porter’s Digital In-Flight Experience

All passengers on Porter’s E195-E2 flights are able to connect in the air for free with high-speed, reliable WiFi. The onboard WiFi allows every passenger full, fast access to web surfing and streaming services.

Stay Connected with WiFi

Enjoy the flexibility of sending and receiving emails on your phone, surfing the web on your laptop, and streaming your favourite shows on your tablet! Porter’s WiFi is available from the moment you board until you leave the aircraft. No app download or registration is required, however VIPorter members can access uninterrupted WiFi for the entire duration of their flight. Just be sure to bring your chargers to plug into your dedicated in-seat power outlets.

WiFi is provided by Viasat Inc.
